TACTICAL and FIRST RESPONSE

WATER PURIFICATION SYSTEMS

THE CUTAWAY OF THE LIFE® SYSTEM JERRYCAN

A robust and portable water filter jerrycan capable of filtering 20,000 litres of water, removing viruses, bacteria, cysts and parasites instantly. The LIFE® (Liquid Internal Filter Effect®) System jerrycan holds up to 8.5 litres of water at any one time and is designed to support those with a greater demand for clean water such as group expeditions, adventurers embarking on overland travel or those setting themselves up for off-grid living.

The LIFE® System jerrycan is designed to store and carry potable or non-potable water. Filter the water as needed for drinking, washing or cooking. No need for chlorine.
